

REMARKS

In view of the foregoing amendments, reconsideration of the above referenced application is respectfully requested.

Claims 5-7, and 10-12 stand rejected under 35 USC § 102(b) as being anticipated by Browning et al U.S. Patent 4,290,207. Claims 8, 9, 13, and 14 stand objected to, but are indicated as allowable if rewritten in independent form. Independent Claims 5 and 10 have been amended to include the limitations of dependent Claims 8 and 13, respectively, without limiting the bow to being a compound bow or the pod being a tripod, which are not believed to be essential limitations to define the claimed invention over the art of record.

A petition to delete a named inventor is also submitted herewith along with the required fee. If any additional fees are due the Assistant Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment to Deposit Account No. 50-1752.

If the Examiner has any further matters regarding this application, the Examiner is encouraged to contact the undersigned attorney to resolve these matters by Examiner's amendment where possible.
